

SILAS &
STEPH

HELLO!

STEPH &
SILAS

FROM

ARIZONA

ALONG WITH OUR
DAUGHTERS MALEA & ELLIE

We imagine this might be a confusing and challenging time while considering the best option for you and your precious baby. We are so grateful and honored to be considered as potential adoptive parents of your child. We hope that you feel supported and loved no matter where you are at in your journey. We admire your strength during this time and for considering adoption.

IN OUR FAMILY, **WE LAUGH AND LOVE TO THE FULLEST.** WE LOVE **GOOD COFFEE, HEALTHY EATING, EXPLORING THE OUTDOORS, TRAVELING TO NEW PLACES AND SPENDING QUALITY TIME TOGETHER.**

We hope that our profile will show you a little glimpse of how much love we have for each other, our family and our future children.

WE LOVE OUR MORNING
COFFEE CHATS

We were excited to start a family but weren't able to because of infertility. After much prayer, we felt God leading us to adoption. Our adoption journey has come with much excitement from friends and family. Adoption has given us a beautiful chance to grow our family.

WE NOW HAVE OUR SWEET LITTLE GIRLS AND ARE VERY EXCITED TO **ADD MORE LOVE TO OUR FAMILY**

OUR STORY

RIDING BIKES AT THE BEACH

WE MET 22 YEARS AGO AND HAVE BEEN **BEST FRIENDS** EVER SINCE!

We've endured many of life's ups and downs together but it has made our relationship even stronger. We have been happily married for 21 years. Some of our favorite things to do include, playing with our daughters, spending time with family, traveling, outdoor adventures and drinking coffee together. We both speak Spanish, Silas being self-taught and Stephanie learning at a young age from her Hispanic grandmother and large Hispanic family. We plan to integrate both languages and cultures in our home.

Most of all we are excited about our next great adventure: adoption!

“STEPH IS THE **SWEETEST PERSON** I KNOW
AND **MAKES EVERYONE’S LIFE BETTER.**”

-SILAS

Steph is the best wife and friend you could dream of. She is a good listener, and you might think she is quiet until you get to know her. Family is very important to her, and I’m amazed that she always remembers all her friends and family’s birthdays. She is very loyal; if you are her friend or family, she will do everything she can to protect and support you. Steph keeps our home and life organized and is a talented cook and loves to make gourmet meals. I feel very fortunate that she is my wife, and I am so proud of her accomplishments. **Steph is an amazing mother to our daughters.**

DAD WITH HIS GIRLS

MEET SILAS

BY STEPH

Silas is the most caring and patient person I have ever met. He has seen me through the most challenging times in my life and is always the calm in the middle of the storm. Silas would go without so another can have and always looks out for his loved ones. He commits to things 100% and will always be there for you no matter what happens. **He is the best Dad to our daughters. I know he will support our children in everything they do and love them more than anything in this world.**

OUR HOME

WE LIVE IN A SINGLE STORY, **FOUR-BEDROOM HOME** IN ARIZONA, OTHERWISE KNOWN AS “**THE VALLEY OF THE SUN.**”

Our neighborhood has children who love to ride bikes and play on the playground close to our house. We have a lovely backyard where we like to spend time grilling out in the summer or relaxing by the fire in the winter.

“WE CAN’T WAIT TO HAVE **TWO MORE LITTLE FEET** PITTER-PATTERING AROUND AND MAKING HAND PRINTS ON OUR WINDOWS.”

GETTING TOGETHER WITH STEPH'S FAMILY

Steph's Extended Family: I have a very close knit family, even though my parents, my brother and his family live in Ohio. We talk and Facetime almost daily. We love to visit them often and get together for the holidays. My sister and her family live close by, we love to get together and take the kiddos to the park. I have many uncles, aunts, cousins, and my sweet grandma who live nearby.

Silas' Extended Family: My parents have been married for 48 years and live in Florida. I have 2 younger sisters and a total of 7 sweet nieces and nephews. We love spending time with them on family vacations.

We both grew up with the same family tradition of dinner around the table together every evening and church on Sundays.

We have close friends that we hang out with regularly. We like to go hiking, biking, ride ATVs, play games and go to dinner together. Silas loves to golf with his buddies, while Steph spends time at the pool with her girlfriends and the kiddos.
